

Cunningham, A.E. & Stanovich, K.E. (1992). Tracking the unique effects of print exposure: Associations with vocabulary, general knowledge, and spelling. *Journal of Educational Psychology*, 83, 2, 264-274.

Title Recognition Test:

Below you will see a list of book titles. Some of titles are the names of actual books and some are not. You are to read the names and put a check mark next to the names of those that you know are books. Do not guess, but only check those that you know are actual books. Remember, some of the titles are not those of popular books, so guessing can easily be detected.

Title Recognition Test Items

Item	% recognition	Item	% recognition
