CONFLICT OF INTEREST CERTIFICATION - PART A

DEFINITIONS:

Conflict of Interest	The entanglement of an individual's private interests with his or her professional obligations, such that an independent observer might reasonably question whether the individual's professional actions or decisions are improperly influenced by considerations of personal financial gain. These interests most often relate to income, loans or gifts to the individual, and ownership, investments or positions held by the individual – but could also arise as a result of a personal relationship or the interests of a near relative. <i>UC policy relating to research activities extends to the investigator's spouse and dependent children; other policies relating to purchasing decision-making extend to siblings, parents and in-laws.</i>	
Employee	Any individual who is presently employed by the University.	
Employee with Teaching or Research Responsibilities	An academic appointee who is engaged in teaching and/or research activities, and certain staff employees (e.g., Staff Research Associates) who may participate in teaching or research activities.	
Financial Conflict of Interest	A financial or other interest in, or a tangible personal benefit from an organization considered for a contract. Financial benefits (whether real or perceived) can be derived from relationships in which an individual has the potential to receive a salary, gift, royalty, intellectual property rights, consulting fee, honoraria, or other financial benefit. A set of circumstances that reasonable observers would believe creates an undue risk that an individual's judgment or actions regarding a primary interest of the University will be inappropriately influenced by a secondary financial interest.	
Former Employee	An individual who has retired or separated from the University, was dismissed, or was otherwise formerly employed by the University	
Near Relative	The spouse, child, parent, brother, sister, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law, or sister-in-law of a University employee, and step-relatives in the same relationship. Near relative also includes the domestic partner of a University employee and a relative of the domestic partner in one of the foregoing relationships.	
	1. Are you currently an employee of any entity of the University of California (including but not limited to any of the following; campus, medical center, lab or the Office of the President)?	<input type="checkbox"/> YES <input type="checkbox"/> NO
	2. Are you a former employee, within the last two years, of any campus, medical center, and/or lab of the University of California?	<input type="checkbox"/> YES <input type="checkbox"/> NO

Information provided in this form, with the exception of a Social Security Number or federal tax identification, may be a public record and could be subject to public inspection and copying if not otherwise protected by federal or State law.

Coverage must be current and in place at the time when a supplier is actively doing business with Berkeley. All insurance policies shall be subject to review and approval by the University, including submitting the firm's current certificate of insurance.

PRIVACY ACT NOTICE:

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who are required to file information returns with the IRS to report interest, dividends, and certain other income paid to you; mortgage interest you paid, the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, or Archer MSA or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply for providing false or fraudulent information.

PENALTIES:

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.
